#### Old Business

T-Shirts: One t-shirt was available and given to the Chairperson for sale.  
Discussion about revisiting the initial outlined priority items from the previous meeting held in September in Heber, UT. Discussed the previous flyer and the lack of contacts to the email address set up on yahoo. Discussed a new flyer having contacts. Some other ideas included seeking out to isolated groups. Hospitals, churches, other public entities-jails, police, AA, etc. Discussed having a web page for a discussion board. Has to have a contact or administrator. Discussion on web page already available on the Colorado site under Rocky Mountain Forum. Ryan, RD-CO, made a proposal to send 50 flyers to every area in forum regarding contact information with a cover letter to each area explaining what the RMF is and does. Much discussion followed and members present were able to share their experience on what the RMF is and what we can and cannot do with outreach. Proposal was then made for a post office box to allow a place for correspondence, and a break soon followed.

Meeting reopened and was decided to formalize a letter to areas/groups by Linda.

#### New Business

Discussion on experienced members of service dealing with the issues pertaining to the commitment associated with having newer members also wanting to be involved and ways to accommodate all who have a desire to serve.

Decided to adjourn meeting until the end of the CAR workshop and to resume at that time to resolve topics previously mentioned in discussion session.
