NA Colorado

Greetings From Colorado Region,

Colorado Region Has 287 Weekly Meetings consisting of Virtual, Hybrid & In person options.

Colorado Region Hosted WSLD in October 2022. The support from our Local & Zonal members was noticed. Thank you to those who did support the Event. It was an awesome opportunity and example of Networking, Fellowshiping and Best practices of How & Why we do to better carry Our message and inform our communities of who we are and how to find us.

Colorado Region passed on \$33,074.56 In FY2022, June 30, 2021 – July 1, 2022

Colorado Region passed on ~ \$45,000 In Calendar Year 2022, Jan. 1 – Dec. 2022

The Colorado Region spent \$0.00 dollars for PR & PI.

The Colorado Region spent approximately \$3,500.00ish for H&I.

H&I has been experiencing growth and expanding into facilities not available to us BC. The Federal Facility in Florence is one example. H&I has an extensive library of H&I recorded meetings at NAcolorado.org.

The Colorado Region Hosted 1 Virtual CAR/CAT Workshop with mixed reviews and attendance. No Areas requested in person workshops. This had a negative impact on obtaining the regions conscience.

Upcoming Events include:

Convention CRCNA

Regional Campout CRRMCO

Women's Retreat

Hello everyone, hope you are having a wonderful week at the conference.

Spiritual Refreshment will be on the other side of the lake this year. We lost our place at Fairhills resort last year, do to some unforeseen circumstances.

What I find interesting is we are having still having it at that location because in that location (West Central Lakes) have created their own Area and broke off our Region. I'm very excited for them and it's been amazing watching this process unfold. I wish the best for them.

Our fall Convention will be in Bismarck this year, we had it in Grand Forks last year and the 3 days before the event there was a blizzard which could be the reason it was such a low attendance, I'm hopeful it will be better this year.

Our H&I in the Lewis and Clark Area is back up and running. They have formed a committee, taking meetings into a couple treatment centers for the first time since covid.

Two meetings in Lewis and Clark have shut down last month due to lack of participation and low attendance since covid.

Southern Idaho RD report for the RMZF on 5/3/23

We had about 25% of our groups submit voting on the CAR and some voted Yes on everything and some voted no on everything so I let our Region know that I was paying attention to the variations and voting accordingly.

The Zoom attendance has been mostly efficient except for issues in the nightly presentations. No sound was available for any of the videos shown in the history presentation on Sunday night. The voting has been very effective and I am able to vote before most of the delegates on location.

I am happy that you have welcomed Scott and that he will be completely ready to take over in October of this year.

Our Regional Campout is near Loman Idaho the last weekend of July. If you are interested in attending let me know.

We are hosting the PNWCNA (Pacific Northwest Convention of NA.) October 27-29 in Boise Id.

It has been a pleasure serving with you all and I hope to meet some of you again and other events or service workshops in the future.

Thanks for letting me participate.
